

12<sup>th</sup> International Conference on Optics-  
photonics Design and Fabrication  
ODF'20, Taoyuan, Taiwan  
1<sup>st</sup>-3<sup>rd</sup> June, 2021

Dear ODF'20 committee members, speakers, authors and fans,

Due to the concerns of growing coronavirus infection in Taiwan, the best strategy for the current situation is to limit physical social activity, including face-to-face conference or meeting. Thus the committee members of ODF'20 in 2021 have officially decided to host the conference in virtual format at 1st -3rd June, 2021 (National Central University, Taoyuan). The details of online presentation for all the speakers will be released soon. We sincerely apologize for all the inconvenience. We appreciate your participation in this difficult time, and look forward to seeing, listening, and discussing with you remotely.

With best wishes,

Ching-Cherng Sun  
General Chair, ODF'20

Jun Tanida
